"Bringing Great Tenants and Great Landlords together"

Below is a comparison of fees charged by 4 other agents as of 31st December 2019.

The fees shown below are based on the Full Management Service advertised by the other Agents and our Gold (Fully Managed) Service. They are a comparison of 'like for like' fees. We have not included a number of additional fees which other agents routinely charge which are part of our inclusive service.

The comparison shows prices including VAT for a 2-bed unfurnished property let initially at £800 per month with 2 tenants for a 12-month tenancy which is then renewed for a further 6 months. No additional maintenance issues included other than annual renewal of Gas Safety Certificate:
